United States v. Denise Donado
06-Cr. 00708 (AKH)
05

The Hon. Judge Hellerstein:

I am writing to request that my client's personal appearance at the status conference on June 19, 2006, be excused. Ms. Donado lives in Florida and therefore requests that her presence for this conference be excused. She has been in touch with me, is aware of her court date, and would be available by phone were the Court to require her to be there via telephone.

Ms. Donado is in compliance with all of pre-trial services rules and regulations.

AUSA Virginia Ramona takes no position on my client's request. Thank you.

Respectfully submitted,

Sabrina P. Shroff
